EXCITING NEWS FROM OUR PRINCIPAL

I am thrilled to share that for the second year in a row Renaissance Lutheran School received a rating of "Exceeds Expectations" on our State Report card. The report card is issued by the Department of Public Instruction **which places us among the 50 highest rated private schools in the state of Wisconsin**. This is such a great honor and blessing and we give God the glory for this great accomplishment.

The state report cards place a lot of weight on schools' ability to grow academically and close gaps. That is in large part why LUMIN Schools scored so well. It is the day-to-day commitment to inspire our scholars, model Christian behavior and collectively push through the tough times that have propelled us forward as a network. Our work is far from done but we want to take this time to celebrate and say thank you to all of our parents, scholars and incredible teachers! We love our school and community and we know that hard work pays off. Thank you JESUS!
