Parent Teacher conferences are right around the corner! February 1st and 2nd plus ENROLLMENT BEGINS for next year and for High

Basketball season begins soon! Ask your student if they are interested and tell them to talk to Mrs. Wilsons!

Attendance

Our attendance is dipping! We are down to a 93% average. Let's get it going in the cold months. Make sure to look at the calendar and plan days off around breaks. Stay healthy by dressing warm and getting rest!

Church

Come join us for our English Service on Sundays at 10:00am!
Our Spanish Service starts at 12:30pm!

Service—Our new Rise Up Trait!

This month we are studying Service. Service at St. Martini means that you serving others just like Jesus did! We want to help others and put others needs before our own in this special Advent time.
